X32 MOTOR FADER

Set of 5 High-Performance 100 mm Motor Faders for BEHRINGER X32

- Motorized 100 mm Fader for BEHRINGER X32 digital consoles
- High-endurance up to 300.000 cycle lifetime
- Premium quality wiper fingers made from Nickel-Silver alloy
- High-quality nylon belt and gear for fast and smooth operation
- High-precision 10 kΩ linear resistive track
- Long-life, industry-proven Mabuchi* motor
- Designed and engineered by BEHRINGER in Germany

The BEHRINGER X32 has changed the game by completely rethinking what is possible from a digital mixer, with tens of thousands of users enjoying the results every day. That means our X32 faders are seeing a lot of action in concert halls and recording studios all over the world! We build them tough to stand up to almost anything, but even X32's high-endurance motorized faders will eventually reach the end of their service life.

300,000 Cycle Lifespan

Designed to provide flawless performance for up to 300,000 cycles, the X32 MOTOR FADER is the exact same 100 mm fader that came in your X32 Digital Mixing Console. They feature premium Nickel-Silver wiper fingers that float gently on the surface of a high-precision 10 kΩ linear resistive track for unparalleled longevity and accuracy.

Legendary Mabuchi* Drive Motor

X32 MOTOR FADER's Mabuchi drive motor is recognized by professional engineers the world over as being ultra-responsive, quiet and long-lived. Adding to the quiet operation of the motor, the nylon gear and belt that moves the wiper assembly is crafted of the highest-quality nylon for fast and smooth performance and reliability.

Sold in sets of 5, the X32 MOTOR FADER is available at your local [BEHRINGER](#) dealer, and can be installed quickly as part of your scheduled periodic maintenance.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own [MUSIC Group](#) factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous [3-Year Warranty](#) programme.
